

## Directions to 2Morrow Ranch

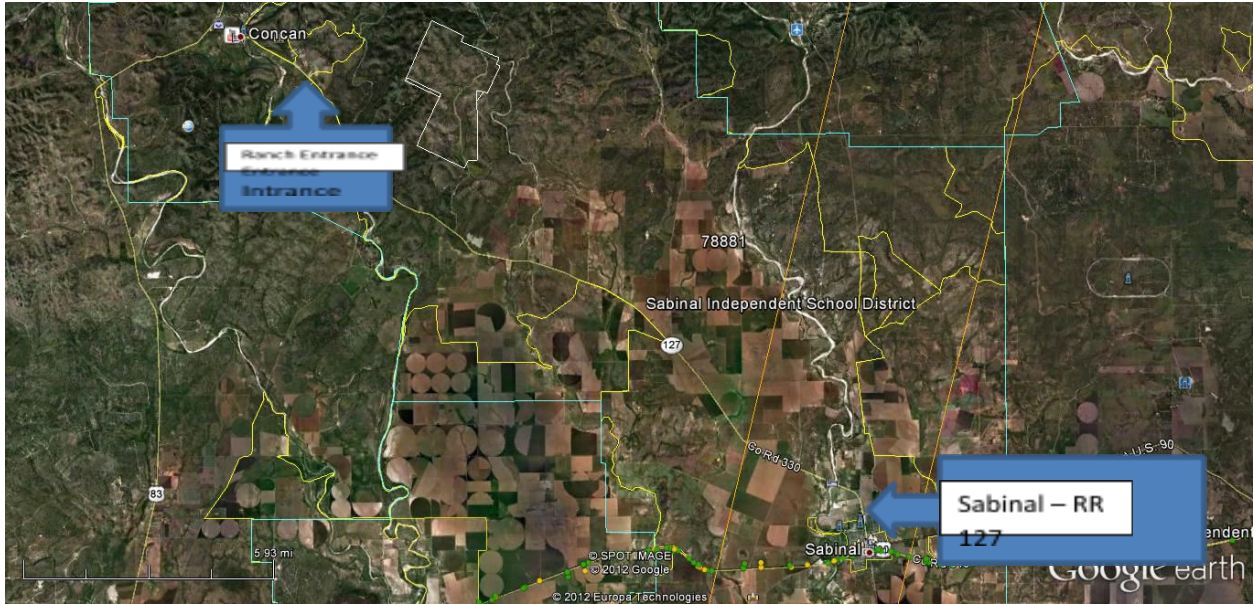

Ranch Phone: 830.988.2352

Ranch Owner: Bill: 210.602.0824

Ranch is located due west of San Antonio, Texas about 1 hour. Leave SA on Hwy 90 going west and travel through Hondo into Sabinal. Sabinal only has one stoplight. Take a right (north) at the light (subway gas station on the right). Go to the outskirts of town to the Y. At the Y – take the road left to Concan, Tx – Hwy 127.

Once on 127 – travel about 17/18 or so miles to the Ranch Entrance on the right side of the road.

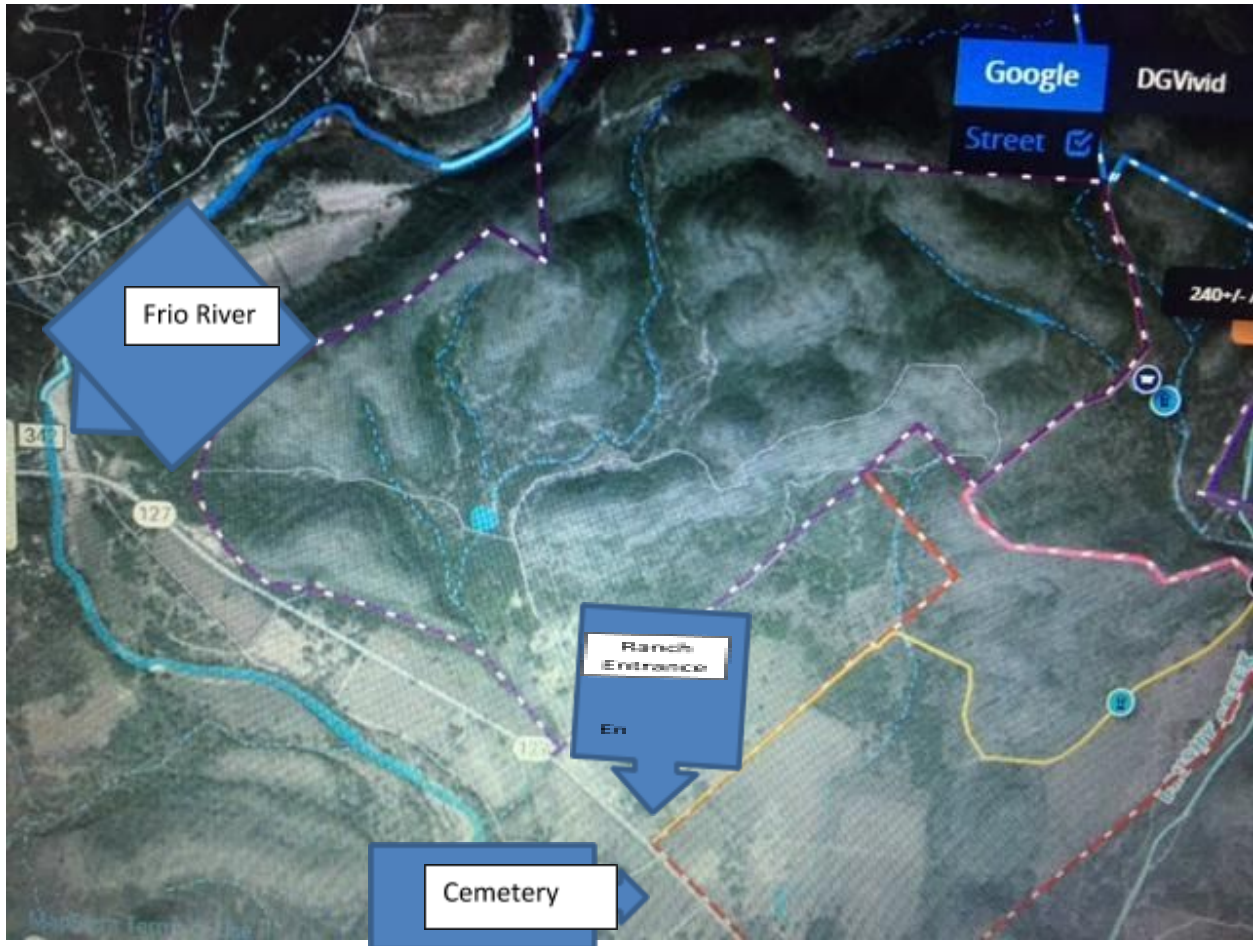

After about 17 or so miles out of Sabinal, you will see the below Concan Cemetery sign on the right side of the Road. The ranch entrance is immediately on the right – after this sign. The actual cemetery is on the left side of the Road – and again – the Ranch entrance is on the right immediately after the Cemetery.

If you get all the way to the Frio River Crossing – you have gone about 1 mile too far. Turn around – head back toward Sabinal and you will see a sign for Neils on the right. We are right pass their sign.

Once you enter the first gate off of Hwy 127, you will travel about 2.5 miles on a gravel road. Take your time on this road. Go until you run into a High Fence Gate. The Gate code 2006.

After you enter the second gate – follow the road and you will pass thru two creek crossings. After the second crossing, the Ranch Headquarters is ahead on the left.
